

How can I help Habitat?

Habitat is always in need of volunteers willing to give their time and energy in creating affordable housing for low income families and seniors.

Volunteers with specific skills are always especially valuable but we are grateful for all the help we can get. There are always jobs to be done by skilled, semi-skilled and not so skilled workers.

The general work week is from **Wednesday to Saturday** starting at **9 AM** and ending at **1 PM** If you believe you can help please fill out the form below giving your personal details, the days you can work and the building processes you are skilled at or interested in working on.

Name Tel #.....

Address.....

Circle your available days.....Wed.....Thurs.....Fri.....Sat.....
